Conclusion:

All of us want acceptance and recognition in life. We also want significance, a step ahead of success. But for any achievement in life, we have to put in hard work and sincere untiring effort. Pleasing & attractive personality help us attain significance which can be created & developed by a strong will to Self-improve, Self-analysis & Self-appraisal. Hence the following are some of the ways how you can transform yourself to become the person you have always wanted to be.

- To be a good listener
- Personal bearing
- Positive attitude
- Appreciation
- Avoid blaming others
- Cheerfulness & enthusiasm
- Hold your temper
- Admit you mistakes
- Be helpful, kind and generous
- Avoid confrontation
- Thanks & gratitude
- Self esteem & Self worth

Please abide by the above and be proud to be a good student of this prestigious College.

Wish you all success
