F. Vision regarding Education for

2022

To increase the enrollment in classes
 To provide tables & benches to the students
 To create bio-toilets
 To setup ups facility with solar panels

2029

Upgrade to upper primary school
 To provide building and enhance infrastructure
 Enhance number of teachers
 To establish digital class class rooms
 To provide library and science labs

2050

Upgrade to high school/ Junior college
 To provide computer laboratory with NET connectivity
 To establish virtual class rooms

BEST PRACTICES

PITHAPUR RAJAHS GOVERNMENT COLLEGE (AUTONOMOUS), KAKINADA BEST PRACTICES

Alumni for Institution Development

The college maintains a list of alumni to inform updates on college development and contact them for assistance. The alumni are invited to institute prizes and cash awards to encourage academic excellence. Renovation and maintenance of college gardens and playgrounds are also entrusted to alumni. Further the alumni are requested to extend financial support to identified economically backward students.

Few illustrations of Alumni contribution: Construction of Classrooms, Auditorium, mid day meals for poor students in PR Government College, Kakinada Prizes in the form of Gold and Silver Medals instituted Cash deposits made to provide interest towards payment fee and books for the identified economically backward students. Colleges got a face lift with necessary repairs and renovation

JKC_ Placement Cell

- ✓ Maintaining regular interaction with the industry through Guest Lectures, Corporate Meets etc
- ✓ Organizing On-Campus as well as Off-Campus recruitment activities
- ✓ Providing assistance to the students for completing projects
- ✓ Developing database of students and presenting their curriculum to various industries
- ✓ Best learning process using a comprehensive understanding of industry's best practices

VISION

2022, 2029, 2050

**PITHAPUR RAJAHS GOVERNMENT COLLEGE
(AUTONOMOUS), KAKINADA
VISION**

2022

To upgrade status of Autonomous college to University

To adopt innovative methods of teaching-learning

To introduce more number P.G Courses.

2029

To provide conducive ambience for overall development of students, staff, faculty

To make all-round efforts to improve and sustain academic results

To enhance more number of research activities.

2050

To turn the campus as fully digitalized 100% e- administration.

Every department should have sponsored research consultancy projects.
