DRESS CODE POLICY OF THE COLLEGE FOR FACULTY MEMBERS

Dt. 7 March 2022

PREAMBLE:

The dress of a lecturer is not just a wearing, it influences the students' learning and their attitudes. The outlook of teacher creates a learning impression into the minds of students. It imposes a very positive expectation subjective to the likeliness and behavioral pattern of the students. Further, the professional dress is positively perceived by the students. It shows the competency and personality of the lecturer. It influences the perceptions of students and that of all stakeholders too including parents and outsiders. The positive impression about the teacher basing on the dress wore, ultimately imposes a positive atmosphere of learning toward the students' mind. Besides, the dress lays role-playing foundation into the minds of students.

Hence,

- All faculty members should follow the following dress regulations as the occasion demands.
- They should attend the college neatly dressed up formally.
- Men faculty members should tuck shirt inside trousers and wear shoes.
- The women faculty members should wear sari invariably and engage classes.
- Attending college in Jean pants & T-Shirts are not allowed.
- If they wish exemption from attending saree on certain occasions such as taking part in sports and games, etc., they shall get the permission of the Principal for the same.
- All faculty members should wear their identity badges every day while inside the college premises.
- **No faculty member shall engage classes without the dress code prescribed.**
